In an effort to be pro-active in the detection of the resale of unregistered and restricted securities and the potential money laundering through the sale of micro-cap stocks, Penson Financial Services, Inc. will be requiring, **effective immediately**, customers to complete the "**DSRQ (Deposited Securities Request Questionnaire)**", before accepting these types of securities for deposit. After the customer completes this form, the depositing introducing broker should fill in the Broker Approval section and send the completed form attached to the security being deposited. The questions on the form conform to the information that FINRA expects brokers to know before accepting these shares for deposit and resale.
